

Welcome to St. Agnes Catholic Elementary School

OUR MISSION STATEMENT:

*“The Community of
St. Agnes Catholic Elementary School
creates life-long learners who exemplify the
teachings of Jesus Christ.”*

St. Agnes Catholic Elementary

- Is committed to providing a Catholic Education
- Offers Pre-K through 8th Grade Education
- Fosters Student Responsibility
- Provides a safe & secure environment

Faith

- Prayers begin and end our day as well as grace before every meal.
 - Students participate in the liturgy, petitions, offertory, serving and singing at our Masses.
 - Religion is taught every day!
 - Stations of the Cross, Rosary, Lives of the Saints and other devotions are woven throughout the year.

History

Our parochial school was started in 1879 with 20 students. The first classrooms were in a four-room house. A two-story school building was completed in 1905, with an enrollment of 60 students.

By 1920 the enrollment had grown, and by the 30's, the two-story building was crowded. The use of a vacant small public school building across the road was utilized for grades 7 and 8. In September 1937, our rock building was dedicated.

Growth for our school continued. In November 1975 dedication of our brick building took place, becoming our primary school. The rock building became our middle school. Enrollment peaked in the mid 70's with 240 students. By 1994 a full-day Kindergarten was started and in 2004 Pre-K was added.

In 2004 we completed yet another addition. This joined all our buildings under one roof. It also created a computer room, a science lab, and additional office space, as well as more classrooms and restrooms.

For over 100 years the Sisters of the Most Precious Blood provided instruction at our school. The end of that era came in 2007 with the passing of long-time principal, Sr. Donna Marie Kist.

We currently offer Pre-K through 8th grade classes, with an enrollment of 167 students.

Academic Excellence

- English
 - Reading
 - Spelling
 - Math
 - Social Studies
 - Science
 - Physical Education
 - Health
 - Art
 - Music
 - Computer
 - Library
 - Algebra taught 5th thru 8th grade students
 - Science Lab
 - Computer Lab
 - Computer access in each classroom
- 
- 
-
